

DSM1

666 Walnut Street, Des Moines, IA 50309

Cologix's 2 Des Moines data centers are strategically located to meet the demand for robust colocation and interconnection solutions in Iowa and beyond. Cologix customers can take advantage of network-neutral carrier hotel access to a variety of unique networks, multiple low-latency routing options and direct access to the Des MoinesIX internet exchange.

Thriving Business Hub

Iowa has a strong presence of industries that require reliable data center infrastructure to achieve their IT goals, including financial services, insurance, manufacturing, agricultural technology (AgTech) and publishing companies. DSM1 is conveniently located downtown in the Financial Center building at 666 Walnut Street. Our facility enables connectivity to 26 unique networks in the Cologix Meet-Me-Room and direct access to the Des MoinesIX internet exchange.

DSM1 also features an additional 8K SQFT of expansion capacity with 1.0 MW of power.
